Why do parents choose YMCA Day Camp?

Well-Trained and Energetic Staff: We take your child's safety seriously. Our counselors, camp staff and lifeguards are required to complete 30 hours of pre-camp training including CPR, First Aid, AED and Child Abuse Prevention. We conduct background checks and drug screenings on all camp staff and employees. Our counselors also learn child development best practices as well as techniques to encourage all campers to be inclusive and celebrate our differences.

Variety of Activities and Experiences: We focus on age-appropriate enrichment activities, including games, arts and crafts and more. In order to meet the growing diversity of our camper base, each YMCA offers a broad variety of experiences to meet all campers' interests. From traditional camps to sport camps to an assortment of themed camps, there is something sure to spark your child's excitement and interest this summer!

Reputation in Community: At the Y, you're not just a member of a facility; you're part of a cause, with a shared commitment to nurture the potential of youth, improve health and well-being, give back and support our neighbors. YMCA members enjoy special pricing on programs and receive priority registration.

Join us for our Camp Showcase!

We offer a wide range of summer camp options that require us to utilize multiple sites around the Steele Creek community. It is through these partnerships that we are able to provide the variety of indoor and outdoor camps as well as half and full-day options to best serve the needs of you and your family. Many of our themed and sports camp options take place at our off-site locations. We provide a shuttle service in a YMCA bus to these alternate locations every morning and return every afternoon.

Please view the program guide for each camp's individual location. For any camp location not listed, please visit our website for updated information.

Central Steele Creek Presbyterian Church

9401 South Tryon Street, Charlotte, NC

Central Steele Creek Presbyterian Church serves as the headquarters of the Steele Creek YMCA Day Camp program. This facility is where our Day Camp, Leader in Training Camp, Teen Camp and other themed camps are held. We also conduct a few of our themed camps here. This site boasts plenty of shaded outdoor programming space as well as a covered pavilion, indoor gym and other indoor programming areas for crafts.

Thomas McAlister Winget Park – Shelter #2

12025 Winget Road, Charlotte, NC

Thomas McAlister Winget Park – Shelter #2 is an incredible sports complex that provides well-maintained fields for all of our sports camps. The outdoor basketball court is used to develop future NBA and WNBA players in our basketball camps. The covered shelter is available for us to use the entire summer allowing shaded programming space when the summer temperature rises.

CAMP LOCATIONS

Christ the King Church

This Parks and Recreation facility is a wonderful home to our Outdoor Skills Camp. This 1,107 acre park allows us to serve the outdoor enthusiast as well as anyone who wants to learn new outdoor skills.

At the Y, we know that every child can benefit from camp. We also know that not all children have what they need to thrive. That's why together, with the generous support of our donors, we provide camp scholarships for families who need us most.

If your family needs assistance, let us help. At the Y, no one is turned away because of inability to pay.

Or, you can help **send a child to camp!**
